Newport Board of Trade.

The Newport Board of Trade met at the city council rooms Wednesday evening.

Enthusiasm and harmony prevailed throughout the meeting. The new by-laws presented at the February meeting were unanimously adopted. These by-laws provide for a change in name of the organization from Newport Board of Trade to Newport Chamber of Commerce. The membership dues are now \$5 a year. Pres. W. W. True reported that he had made a canvass of the business men on the street and found the sentiment very encouraging, several agreeing to pay for five memberships or \$25 per year.

The committee for nominating candidates for directors was appointed and an election will probably be held within ten days. A drive for new members will soon be put on to endeavor to raise the membership to at least 250.

The prospects for the future of the Chamber are very bright and the employment of a paid secretary seems assured.

Memorial Planned to Dogs Sacrificed in Gas Tests

Prompted by girls of the chorus at the Hippodrome and indorsed by other women, and it is said, by the New York club and the Toy Dog club, a movement is under way to set up a memorial to the dogs whose lives were sacrificed in experimental work for the army. It is stated that the chemical warfare division of the war department used on an average of 80 dogs a month in testing gases and protection devices. It was suggested that a fund be raised for the erection of a dog's drinking fountain in a park to bear a tablet explaining the service done for humanity by the dogs.

Men, Women and Children Helped Bring Big Victory

Just what name posterity will give to the war nobody of the immediate present can say; but if it is fairly descriptive it will perhaps somehow include or suggest the part taken by the women, who, in 17 months, for one thing, have turned out something over 14,000,000 knitted articles. The women, in fact, have knit themselves into history in a way that the future historian will have to take into consideration. Literally it was a war of men, women and children against an impending tyranny.

IF YOU HAD A BEAUTIFUL SWEET-TONED

VICTROLA

In your home, how would you spend the evening? You might feel tired and want something bright and cheering. You might be lonely and want some of the dear old songs. You might have a friend drop in and would want to show off Caruso, Galli-Curci—or if he had a drop of Scotch blood you would, of course, bring out Harry Lauder. Any man whose ancestors knew of the Emerald Isle would enjoy John McCormack. In any event there would be entertainment—the best in the world—right in your own home—and it wouldn't matter too much whether that Victrola was a \$22.50 or a \$275.00, the music would be there just the same. Yourself, your wife, your children, your friends, would all be the richer for having spent an evening or a long Sunday afternoon with your Victrola entertaining.

A Proposition That Appeals

to many of our friends is like this. You buy a Victrola \$22.50, \$35.00 or perhaps more, later when you realize what it means in your home you want a larger one—we allow you what you paid for the small machine towards a larger one, the plan works very nicely.

their faith and hope help sustain each one of the sorrowing ones in this hour of trial.

Mrs. Peck and daughter have been of late years much in the home of Mr. and Mrs. Osmond Brown here and decided last fall to move here from Massachusetts, P. Q., where they had lived for many years. Mrs. Peck looked forward eagerly to her home here and to learning to know the people here, and in the first of her illness could hardly see why her plans must be set at naught, but soon came to be reconciled and said so many times, "It's all right," and "Oh, Lord, help me to be patient." The daughters and friends did everything that could possibly be done to make her comfortable and Mrs. Peck was so appreciative.

Beautiful flowers were kept in the sick room constantly. A service was held at the home here March 1, Rev. G. W. Collins officiating, assisted by Rev. Johnson, Text II Cor. 5:1. Music by the choir of the Baptist church.

In the afternoon of the same day the funeral was held in the church at Ayers Cliff, where both Mr. and Mrs. Peck were members. A quartet sang appropriate hymns. Rev. Waldron of Magog, P. Q., officiated, text II Tim. 4:6, 7, 8, assisted by Rev. Chapman of McConnell, P. Q., and Rev. Moore of Ayers Cliff. Interment was in the family lot beside the husband and two sons in the Old Hatley church cemetery.

Mr. and Mrs. Osmond Brown and Miss Maude Peck of this place, George Brown and Mrs. Sumner Sanderson of this place went with the body to Ayers Cliff, and others attending the funeral were Mrs. Wier Rowell of Magog, Mrs. Thomas Rowell and daughter, Miss Cora of Ayers Cliff and Bert Rowell of Sherbrooke. The bearers were Messrs. Fish and Woodard of Ayers Cliff and Messrs. Kent and Keezar of Massachusetts. The undertaker was Mr. Curtis of Newport, who came here for the morning service and also accompanied them to Ayers Cliff. While at Ayers Cliff the relatives were at Mrs. Thomas Rowell's, where she and her daughter so kindly looked after their every need.

Card of Thanks—We wish to sincerely thank everyone who in any way, either by word or deed, helped during the illness, death and burial of our beloved mother and grandmother, Heaven's blessing be upon you is our wish, as it was also the wish of her who passed on.

Spring Sale of Muslin Underwear

75c Garments at	59c	\$1.75 Garments at	\$1.29
\$1.25 Garments at	95c	\$2.25 Garments at	\$1.69
\$1.50 Garments at	\$1.09	\$2.50 Garments at	\$1.89
\$1.69 Garments at	\$1.19	\$3.25 Garments at	\$2.39

While there is no reduction in the wholesale prices this spring we find our customers are asking for a Sale of Under Muslins—In fact we find they are looking anxiously for bargains in any line and we want to assure them we are just as anxious for price reductions as they are and shall surely hear of them just as quickly as anyone does.

Ladies' Small Size Button and Lace Boots at \$1.95

These boots have been in with the Sale Shoes at higher prices but we find there are too many small sizes and have made a lower price on them. Girl's Shoes are very high and the quality is not as good as in the old times at lower prices. See if there is not a pair that will be all right for the girls even if you have to change the heels, then they will not cost half as much and will wear much better than the newer shoes at the higher prices. Every indication is that Women's and Children's Shoes will go to still higher prices and quality will be still poorer on account of the great demand and scarcity of material.

Genuine French Kid Gloves at \$2.25, \$2.75, \$3.25

Plenty of sizes and colors because we have not been afraid to give large enough import orders. It is almost impossible at present to buy them at any price.

Ready-to-Wear Coats, Suits and Dresses

We have never sold as many as early in the season and with the late date of Easter—every one will want their New Spring Garments before Easter. Don't wait to select what you will need for Spring as you will enjoy wearing the New Spring Garments early while they are strictly up-to-date.
